A new measure of accounting quality

Paul Hribar, Todd Kravet, Ryan Wilson

[Download PDF \(472 KB\)](#) [View Article](#)

Abstract

This study develops a measure of accounting quality based on audit fees. Adopting a neoclassical view of the audit market, we argue that unexplained audit fees should contain information about accounting quality. We find that our measure of unexplained audit fees correlates positively with other empirical measures of quality. We further show that our measure of accounting quality is incrementally predictive of fraud, restatements, and SEC comment letters, controlling for other measures of quality. Overall, we believe that the information in audit fees can be used to provide an alternative measure of a firm's accounting quality.

施普林格作者学院

欢迎来到施普林格作者学院！本学院是施普林格（Springer）和理文编辑（Edanz）为提高作者撰写和发表科研论文的能力而专门设计的一个指南性网站。你可以点击右侧或下侧的链接，针对自己感兴趣的主题获取相应的建议。

在此之前，有必要先探讨一下发表论文为什么对你很重要。通常发表论文是为了能够顺利毕业、求职或晋升。然而，我们不妨先思考一下：一名真正的科学家，应该完成两项重要使命：

- 为人类知识库添砖加瓦
- 让自己和他人认识宇宙的本质

如果你不发表文章，这一切就无从谈起。何况，他人对你的认知主要是基于你发表的文献。如果你不发表文章，其他研究人员就不能从你的工作中获得启迪；这样一来，你的研究流于无形。

换言之，你的研究工作，如果最终未能发表，它就是不完整的。

Cover letters

---A good cover letter will help “sell” your manuscript to the journal editor.

Common phrases:

- Please find enclosed our manuscript, “[manuscript title]” by [first author's name] et al., which we would like to submit for publication as a [publication type] in [name of the journal].
- To our knowledge, this is the first report showing...
- We believe our findings would appeal to the readership of [journal name].
- Please address all correspondence to:
- We look forward to hearing from you at your earliest convenience.

All cover letters should contain these sentences:

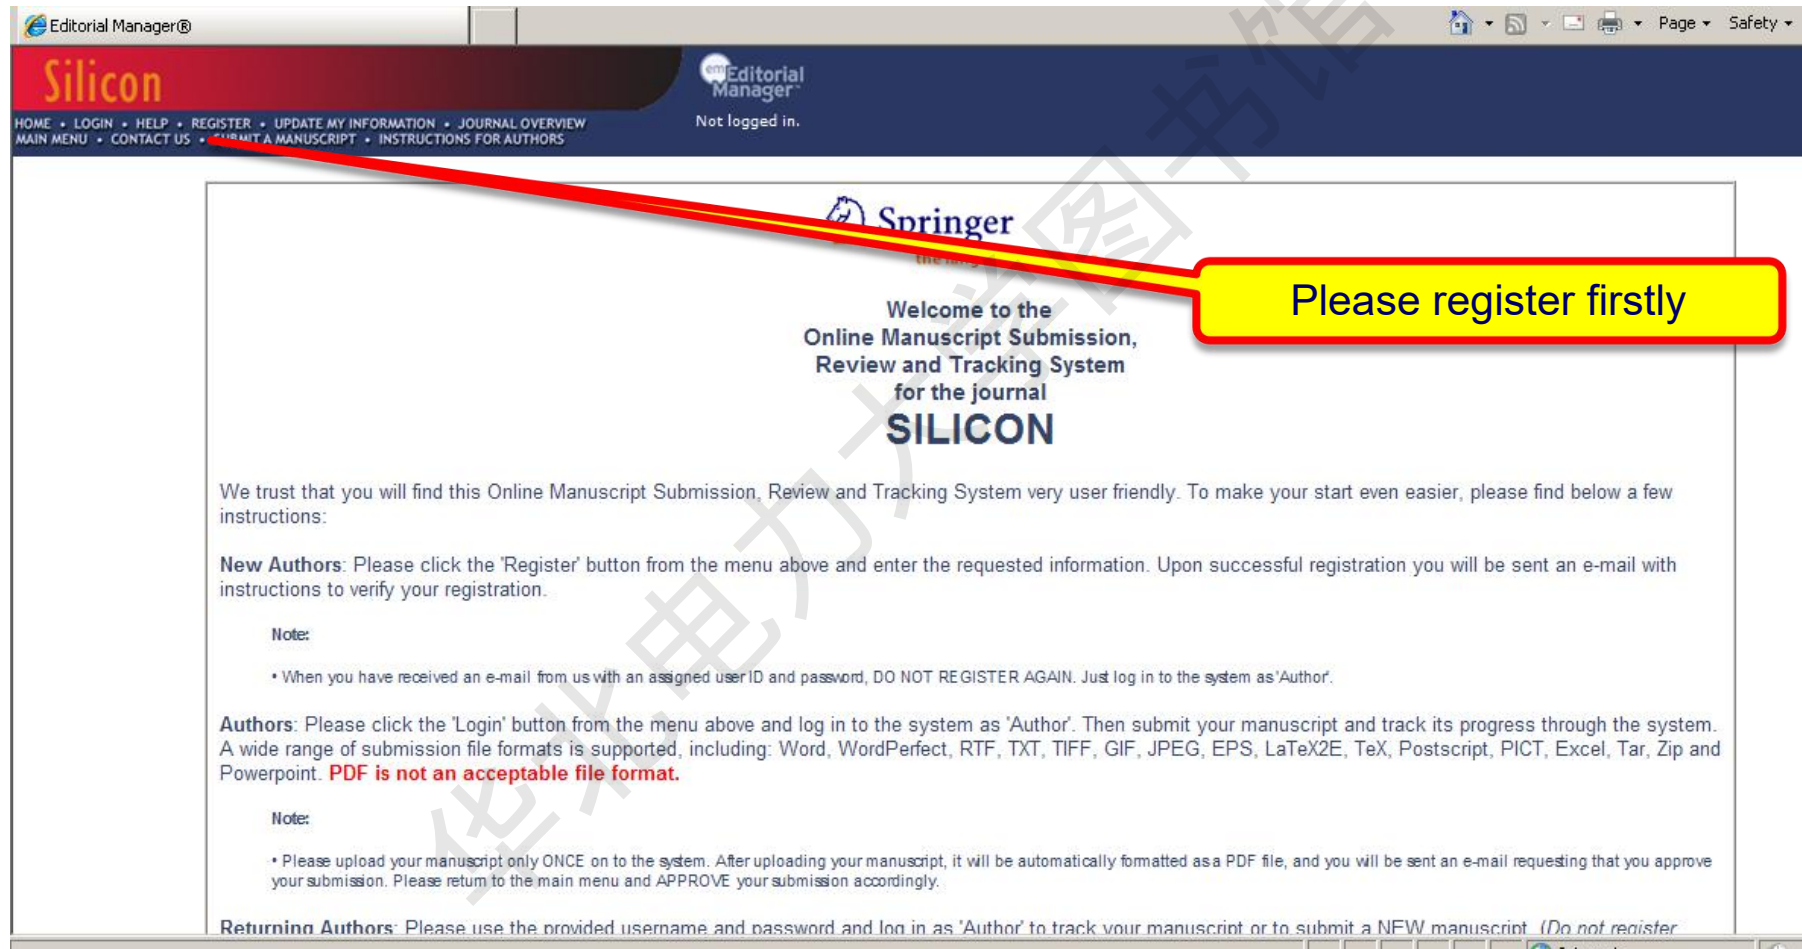

- We confirm that this manuscript has not been published elsewhere and is not under consideration by another journal.
- All authors have approved the manuscript and agree with its submission to [insert the name of the target journal].

Electronic submission

- Electronic submission substantially reduces the editorial processing and reviewing times and shortens overall publication times

The screenshot displays the Springer website for the journal 'Aesthetic Plastic Surgery'. The page features a navigation bar at the top with links for 'SUBDISCIPLINES', 'JOURNALS', 'BOOKS', 'TEXTBOOKS', and 'SERIES'. The journal's cover image is shown on the left, along with its title and editor-in-chief information. A prominent orange circular button labeled 'SpringerLink Read online' is visible. On the right side, there are several menu sections: 'READ THIS JOURNAL ON SPRINGERLINK' with links for 'Online First Articles', 'Read Current Issue', and 'Free Electronic Sample Copy'; 'FOR AUTHORS AND EDITORS' with links for 'Aims and Scope', 'Submit Online', 'Instructions for Authors', 'Conflict of Interest Statement (pdf, 28 k...', and 'Conflict of Interest Form (doc, 36 ...'. A mouse cursor is pointing at the 'Submit Online' link in both the main menu and a larger, semi-transparent inset box that is overlaid on the page.
